sing the remainder of the term of office.

See 5. All of the public roads in oild Road District shall be subject to the management and control of the Board of Road Commissioners of Road Commissioners of the control of the state of the stat Christian county for the purpose of securing and maintaining the free and transportation. And the said Board of Road Commissioners is an thorized, within the limits of the stoad District, and with the means to be provided therefor, to grade and omendamize and otherwise improve any or all of said public roads, or any part thereof, in their discretion, and part thereo's in their discretion, and to maintain and keep the same to repair, and free from obstruction, and to insure and protect the public in recorded "sgainst the (Road Tax."

ner the Beard may agree up in, the stock of any turnpike company ex isting at the passage of this act which in his place in holding the said election shall give notice thereof by adpublic roads in said Road District. When the Board of Boad Commissioners shall obtain the control of any such improved road in said Road District by the purchase of its stock, or by the consent of the company controlling it, such road shall be oper for the use of all persons for the pur pose aforesaid without toll or charge therefor. And the Board of Rose Commissioners is hereby authorize to use any portion of the revenues hereinalter provided for the improve ment of the public roads in the said Road District, that may be necessary to enable them to purchase the stoc proved roads, and the Board of Road Commissioners is further authorized and empowered to negotiate tempo-cary loans of money for said purpose, and to use said revenues for the re-payment of same. But the commis-

ne and the same is hereby established as a Road District, which may be extended and enlarged as hereinatter provided.

Sec. 2 The said Road District shall be under the management and solutions. (50) cents upon each one hundred dollars worth of said property, as isted by the tax assessor of said county; and the said court shall also the provision hereinafter made, shall be three years. They shall be elected by the qualified voters resident in the said Road District who are by the qualified voters resident in the said Road District who are by the qualified voters resident in the said Road District who are chargesble for levies imposed for said district, as hereinafter directed, and shall be styled "The Board of tax each year not exceeding one dollars. This levy and assessment shall County," and by that mann and style shall be a body-politic and corporate, and may sue and be sued, plead and be impleaded, contract and be one. shail be a body-politic and corporate, and may sue and be sued, plead and be impleaded, contract and be contributed with, and may adopt and use a common seal and charge the same at plea-ure, and may do and perform be to collect, or whose duty it shall be to collect, the revenues of the State and county in said county, and shall be collected at the same time and in the same way the State and county obtained and the said sheriff or other officer and his sureties shall be liable for the same in all respects as for the other revenues of the county. And it shall be the duty of the said sheriff or other officer collecting the said sheriff or other officer collecting the said taxes to account for and pay the same over as directed by the Board of Road Commissioners, on written orders therefor signed by the Secretary of the Board, Procided, That none of the commissioners, or written orders therefor signed by the Secretary of the Board, Procided, That profice of the commissioners, or the same over as directed by the Secretary of the Board, Procided, That none of the re-election of any of the commissioners, or written orders therefor signed by the President and countersigned by the Secretary of the Board, Procided, That now of the procision of the said state of the same over as directed by the secretary of the Board, Procided, That now of the commissioners.

Secretary of the Board, Procided, That now of the commissioners, where the superfluous limb is joined, its of the opinion that it can be reposited to pay the capitation or poil tax above provided for may discharge the same by work on any of the Christian county which is not embraced in the county of the Christian county count to submit to the legal voters of that particle, under such rules and regulations. SEC 3. Before entering upon their after, the same way the State and county farles, the said Commissioners shall are an oath in the County Court of the same way the State and the said sheriff or other officer and his sureties the same county faithfully to dis-

members thereof The Commissioner of the proceedings the same by work on any of the great and record the proceedings of the file of the proceeding of the file of the file of the fil

the Board when that officer is absent or anable to act; to appoint all sub-ordinate agents or employes that may be needed for the proper and efficient exacution of the public work of the Board, and for the erson by the Board of Road Commission of the Board, and for the erson the proposes set forth in Section until after the first the Board, and for the order of the public work of the Board, and for the cystor the purposes set forth in Section until after the first tion five of this act, and for the purposes are forth in Section until after the first tion five of this act, and for the purposes and set for the Board, in Section until after the first tion five of the set, and for the Board, in Section until after the first tion five of the set and for the Board of the County Court.

Sec. 9 The revenue provided by the dot some Road District. Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be no election under this section until after the first levy of taxes under this act is laid by the Road District, Provided, That there shall be estimated by the destination of the country definition to the entered the country of the members of the Board. The transfer of the first levy of taxes under this act is laid by clied as one Road District. Provided, That there shall be noted as one Road District as the life as one Road District as the life as that services, Pracided, That compensation to the members of the Board to: tion to the members of the Board for their services shall be fixed by the county court of Christian county and skyl be paid out of said revenues.

SEC 10 The county court of Christian for the said skyl be enforced from its passage.

SEC 10 The county court of Chris tian county shall not levy the taxe-required by this act until the ques-tion or such tax ation shall have been -ubmitted to the legal voters of Chris-tian county residing within the said itoad District, at a special election which shall be ordered by the Pre-siding Judge of the said court sitting in court as hereinatter directed, and or it a unifority of the legal votes which shall be cast at the election shal' be in lavor of said taxation, then it shall oe the duty of the county court to make the levy and cause the taxes to be collected from year to year as provided in this act. The question to be submitted and propounded to said voters shall be in form substantially. "for the Road Tax?" or "against the Road Tax?" Those voting in favor of pair, and free from obstruction, and to be subpair, and free from obstruction, and to be subto insure and protect the public in the tree use thereof for the purposes of the subdistrict the transportation of stone coal and other products for the use, consumption and traffic of the inhabitants of the sald Board of Roal Commissioners is authorized and empowered similarly to improve, natural and keep in repair, and free from obstruction, and subject to the like free use, any public road in Christian county leading from the only of Hopkinsyille to coal banks or unless in sald county.

Sec. 6. It shall be lawful for the Board of Road Commissioners to purchase from the owners, at a fair value to be assertained in any man. purchase from the owners, at a fair and request for the election, but shall value to be ascertained in any man not be a day on which any other general or health and the health of the h ral election is required to be held. The sheriff or the officer who shall a t

verrisements which he shall cause to be published in at least two consecuive weekly issues of all the news-papers printed in said county, preced-ing the day of election, or in such other ways as the Presiding Judge shall direct. Provided, That no per son shall be permitted to vote at any such election, except bona fale resi-dents of the Road Di-trict who are, at the same time of the election, legal voters of said county, and no other votes shall be received by the officerof the election or counted by the board for examining the pool books; and provided further, that as soon as tained by the examining board they shall certify it, and the Presiding Judge shall cause it to be entered on the order book of his court.

De it enacted by the General Assembly of the Communewith of Kentary and along the Communication of the part of the state which lies between the first which lies between the most been and approximately as along the reaching and approximately as along the commissioners with the county of Christian county under this between the first which lies between the first which lies between the first which lies between the morning and evening. TRIP TO HOT SPRINGS. I left Hopkinsville, Ky, at 7 o'clock on Wednesday morning, March 1st, and arrived at tout rie about 8, where I changed cars for to it e occurred verterday morning at Memphia. Passing down the L. & M. the residence of Mr. Joseph Meyer, on railroad you soon cross the Londber land river, which has been higher than for years, and has done immense damage to property. The Tennessee river is the next stream other a little girl, about two months. crossed, and is still out of her banks, but is falling. Mesuphis reached at peared healthy, was taken suddenly in Taesday night with something man tion was made with the steamer Rena McReady, which headed down ing before medical aid could be sumwere about 250 on board the steamer, the beating of the heart, but failing rendering it impossible for any one find any signs of life pronouncest bad no other work to do, they were this unlooked for coming back from busying themselves pulling cows up on a little dry place about 16 feet square, and I think there were about 15 on the little spot, and no telling how long it had been since they had been alive and unpidly improving. long it had been since they had

fed, and there is no telling how long it will be before they get any-thing to eat. These were very for tunate in being sayed, as hundreds of others have been washed away.

he were not in a hurry, the train of courtesies would leave him; so you had to be -for nothing. would leave him; so you had to be very careful or get run over.

Dispatches were received that the water was over the track in several places further down the road, and appears further down the road, and appears for the benefit of the poor water was over the track in several places further down the road, and appears for the benefit of the poor water was over the track in several places further down the road, and appears for the benefit of the poor water was over the track in several dollars worth of preliminary no-

the passengers and baggage would have to be transferred by hand cars. the train would not get there until late in the evening. The depot at Madison is very small, and was in sufficient to accommodate the emigrants, so many of them were compelled to spend the day in the hot, troiling sun. During the day a switch engine killed a pig and broke the bind leg of a five hunting dog.

I had the pleasure of making the

switch engine kille i a pig and the bind log of a fine hunting dog the bind log of a fine hunting dog we get the latest \$2 more the bind log of a fine hunting the always receives a \$5 editorial acquaintance of Messrs. J. G. Lawton and Sam Rose, Express Messengers, and J. E. Rush, Mail Agent, all nice.

We were fortunate enough to get away from Madison about 9 o'clock, And when the last day comes to us and as the train moved on down the and we depart to the better shore, our road, she would stop and take on a hand car or two, in order to make the

dangerous part of the road, with about 50 mer pumping, and I assure you it was quite a sight. Photo graphs of this train would have sold at \$5 a piece. The run was about 3 miles long and was made in an hour and a half. The water was up to the cross ties and in some places was run-ning over the track. It is estimated that about half of the State of Arkansas is under water, and one would name Zinc or Copper?

Zinc or Copper? No, ma'sm, said the Memphis & Little Rock railroad at the present time. Nothing else deterring us we arrived at Little Rock at 7 o'clock, it taking us 2 days and to suppose I had such names.

Excuse me, was the quiet reply. but I thought certain you must be nights to travel 135 miles. At 12 o'clock we boarded a train for Malvern where we changed cars for Hot Springs, arriving at the point of our destination at 5 o'clock Saturday morning. The ride from the depot up in town in a loss must be taken to be tully appreciated. This ride

Rena McReady, which headed down stream about 9 o'clock. The water being over the Momphis & Little Rock railroad for several miles, compelled the steamer to take us to Madison, a little station on the St. Francis river, where we were to get a train to Little Rock. The Mississippl is just 13 miles wide below Memphis, and at course has done great damage. The night was a beautiful one, and we made good time down the rivering torned into the mouth of the St. Francis at 12 o'clock. A great many mugrants travel this route and there were about 250 on board the steamer, condering it impossible for any one find any signs of life pronounced the to get are me in the cabin. A person to fully appreciate such people must travel with them once. After supper they all get chairs that could, and those who constit quietly sat down upon the fier, and then some the first girl's brother, who was just of the girl's brother. town upon the flor, and then some of them were compelled to stand up. Nearly every family had 3 or 4 little children, a basket or two of provisions, and a couple of carpet sacks. Very few of them were able to take a berth, though it only cost \$2, so they preferred being on the standing she supposed corpse, leaned over and imprinted a kins upon the palid lips. The baby's mouth was they preferred being on the standing shiftly open, and in kissing her the committee. In passing on up the St. Francis river the next morning, on both sides the tops of houses could be and then a mesneed to breather. both sides the tops of houses could be seen just out of the water, and as the land was low the water had full sway. We passed one house completely surrounded, but not enough to drive out the occupants, and as they one around was terribly astoniched at

For Nothing.

tunate in being sayed, as hundreds of others have been washed away. Every few hundred yards could be seen men in the little canoes rating longs, getting them ready to float flown. This is about the only good the water has done. The steamerare doing a large business sluce all the railroads are under water. I forget to tell you, it was impossible tysless pany during the night, as just about the time you would get to sleep three or four babies would begin crying, and if you were a sympa-to be sure and write it ap—all for
